

World Book Advanced for iPads and Tablets: My Research

World Book Advanced My Research feature gives students individual accounts to save their research.

(1) Go to *World Book Advanced*

> Tap on **My Research**.

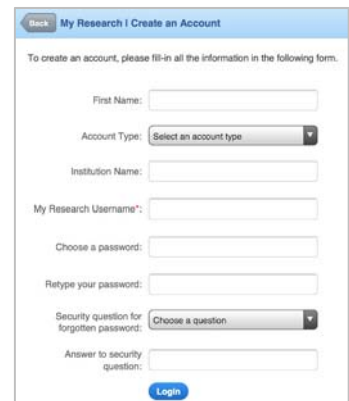

(2)

> Either log-in or tap on **Create an Account** to create your own account.

> Fill in all the information in the form.

> Tap **Submit**

Hint: Using your email address as your username will give you the option to have your password emailed to you if you have forgotten it. You also have the option to provide a username that is 6-10 characters long.

(3) > Tap on the arrow  to expand each section.

- World Book articles, images, citations, online books, primary source documents and other research results can be saved to a user's **My Research** page.
- The **Tools box** on the left of the page includes options to **Save**, **Email**, and **Print** content. Click on **Info** to access the Help Screen.
- Create different folders** within your My Research account to save content by topic or project. Tap on **Create Pathfinder** to share your research project. Tap on the **Switch Projects** button to select folders in the drop-down menu.
- You can delete entries, **add notes** to each content piece – a reminder, a detail to follow up on later, or other information to save for later reference.
- You can enter **bibliographic information** about books you've found in your research.
- You can add **Websites** for sites you've found in your research.
- You can save your **Timelines** to your My Research account.

Content saved in Advanced from the desktop version is also accessible through Advanced iPad or tablet "My Research".
