# Dentist

A dentist is a \_\_\_\_\_ who helps us take care of our teeth. Dentists clean teeth and \_\_\_\_\_. They check for \_\_\_\_\_ in teeth. They fill the cavities to save the teeth and keep the mouth from \_\_\_\_\_. Dentists also take out \_\_\_\_\_ teeth. Dentists teach people how to \_\_\_\_\_ for their own teeth and gums.

A bright \_\_\_\_\_ helps the dentist see what to do.

A dental \_\_\_\_\_ helps the dentist.

A dentist wears a \_\_\_\_\_ so that he does not breathe germs on the patient.

\_\_\_\_\_ protect against the spread of germs.

A \_\_\_\_\_ helps the dentist see all sides of the teeth.
