# Airplane

Planes take off and land at \_\_\_\_\_. They fly high above the clouds, carrying people to different \_\_\_\_\_ and countries. In an plane, you can fly across the world in a \_\_\_\_\_!

A plane speeds along the \_\_\_\_\_.

A baggage truck carries piles of \_\_\_\_\_ to the hold.

A \_\_\_\_\_ sits high up in the cockpit behind the controls.

A flight \_\_\_\_\_ welcomes passengers on board.

Huge \_\_\_\_\_ help the plane soar through the air.

An plane has strong \_\_\_\_\_ to help it land smoothly on the runway.
