

## Amazing Birds

There are hundreds of amazing birds on the grasslands.

Giant \_\_\_\_\_ run along the ground and tiny, colourful

\_\_\_\_\_ fly from tree to tree. You may even spot a

hungry \_\_\_\_\_ swooping through the sky.

Silk \_\_\_\_\_ cover a vulture's body and keep it warm and dry.

A vulture spots a snack from far away with a pair of beady \_\_\_\_\_.

A hooked \_\_\_\_\_ is for tearing up chunks of food.

A vulture can pick up tasty meals with its strong, clawed \_\_\_\_\_.

To fly, a vulture stretches out its two huge \_\_\_\_\_.
