## Cold Winter

In winter, days are \_\_\_\_\_, and nights are long. The sun's rays are \_\_\_\_\_, and the weather turns \_\_\_\_\_. Many animals \_\_\_\_\_ until the warm spring. Others are up and about during the cold weather.

There are many \_\_\_\_\_ trees in winter. The leaves fell off the trees in \_\_\_\_\_.

Even in freezing winter, \_\_\_\_\_ trees keep their leaves, called needles.

It's so cold that the water in this pond has \_\_\_\_\_ into ice.

There's little food for birds to eat, except winter \_\_\_\_\_.
